Athletic.

The second annual gymnasium contest held Saturday night at the Episcopal High School was quite successful. Entries were large and the events closely contested. Instructor Fontaine led in the performances on each apparatus. There were three classes, marked by an age limit. At 8 o'clock the athletic squad entered the gymnasium. The opening event on the German horse, was won by Hewitt, with Springs a close second. The pauses were devoted to "pyramids." The high jump and high dive were won by Charrington. The second class German horse honor was won by Jones by a margin of three points over Sutton. In the first-class tumbling Eastley was given the decision over Miller by one point. The team work event was given to D. B. Williams and Pendleton, with R. W. Wood and W. S. A. Pott second. Eastley was the winner in the "first-class" contest, scoring 21 points; in the "second-class" Jones scored 16 points. Hewitt won "third-class" on 12 points. Other winners were:

Horizontal bar (first class)—First, Eastley, 81; second, Doubleday, 77.

Edmund P. Dandridge was scorer, and the judges were William E. Echols, John Mason Brown, and Archibald Hoxton.

Mr. Burroughs in Charge.

Postmaster Joseph L. Crupper at 8 o'clock Saturday evening relinquished control of the postoffice of this city, and Mr. Thomas Burroughs, who for over thirty years had been the assistant postmaster, but who was recently appointed postmaster by President Roosevelt, assumed the duties of the position. As has been stated in the Gazette, Mr. Burroughs will be succeeded as assistant postmaster by Mr. James E. Johnston. The new postmaster was the recipient of floral and other tributes of esteem from a number of his friends.

Since Robert McCrea was appointed postmaster by President Washington, on February 16, 1790, Alexandria has had 16 postmasters.

A Real Jolly Play Tonight.
You can please people better by making them laugh instead of crying, and the mission of "The Village Fool," the successful rural comedy-drama, that is announced to appear at the Opera House tonight seems to make people laugh. Although the play is of the higher order of rural plays, it abounds in all kinds of good things—a strong and particularly effective story, pure, clean, healthful comedy, telling scenes and situations, incidents and scenes of heart interest and pathos, a very elaborate scenic investiture and a most capable cast of characters. Mr. A. C. Scammon promises an entertainment above the average and indicates point to a very large audience.

Yesterday.

Yesterday was observed in St. Mary's Church as Passion Sunday, and the pictures and statues in the church were covered with purple cloth, and will remain covered until Holy Saturday.

At the Methodist Protestant Church there was a Christian Endeavor rally at which an address was delivered by Mr. Spindel, of Washington.

The congregation of the Second Presbyterian gathered in the First Church yesterday, where Sunday school and church services were held. Rev. Mr. Beattie conducted the services.

Drunk and Disorderly.

Two men, who were under the influence of liquor, caused some excitement on Lee street, between Duke and Wolfe, early last Saturday night. They entered the vestibule of a house and refused to leave when requested to do so by the inmates. Officers Sherwood and Gill later appeared and took the men in custody. They were arraigned in the Police Court this morning, but in the absence of material witnesses their case was continued. They gave their names as Henry Dorsey and Enoch Beebe.

Man in the House.

A lady living in West End, whose husband was in this city at the time, was considerably frightened last Saturday night when she discovered a strange man in the house and about to enter her bedroom. The lady gave an alarm when several people who were nearby ran to her relief. The intruder escaped. A colored man who had been attracted to the house discharged a pistol at the man as he fled.

Accidents to Cars.

Several cars of a Southern Railway freight train jumped the track between Amherst and New Glasgow on Saturday last and were badly damaged. The accident delayed traffic for a time on the road. No one was hurt by the accident.

A freight car was damaged in the Wilkes street tunnel last Saturday while some shifting was in progress.

Special Grand Jury.

Judge Barley of the Corporation Court has ordered drawn a special grand jury to meet on Wednesday to consider a number of cases, about a dozen, now waiting action by that body. Among the cases is that of Jack Ryan, held on the charge of being connected with the Curtin murder.

The regular monthly meeting of the Woman's Auxiliary to R. E. Lee Camp will be held in Confederate Veterans' Building tomorrow (Tuesday) evening at 7:30 o'clock.

Personal.

Mr. Henry Strauss, who had recently been confined to his home by illness, is out again.

Mrs. G. Wm. Ramsay, of Alexandria, arrived in Portsmouth, Saturday to visit her daughter, Mrs. W. A. Brown, in north Dinwiddie street.—[Norfolk Ledger.]

The Havana papers publish an interesting account of a reception tendered by Mr. and Mrs. Harry Lee Marshall in honor of Mr. Shurji Ali-Sune, the second secretary of the Chinese legation in that city who, was about to leave for Washington. Among the guests present were Mr. J. Ellis Norris, formerly of this city.

Mrs. M. Ivy is seriously ill at her home corner Duke and Patrick streets. Mr. and Mrs. Albert Doyle Brockett, have issued invitations to the marriage of their cousin, Miss Martha Townsend Brockett, to Mr. Theodore Irving Coe of New Rochelle, N. Y., which will take place on the afternoon of Wednesday, April the 18th, at four o'clock, at the residence, No. 328 north Washington street, this city.

Mr. J. Frank Cook, who was recently taken to the Alexandria Hospital for treatment, is said to be convalescing.

Mr. Wm. H. Schfield, formerly of Alexandria, but now of New York city, was married March 28, to Mrs. Lillian Marshall Tule, of Washington.

Mr. Quincy Wheat, aged eighty years, died at Staunton yesterday.

Miss Elizabeth Jones, who has been spending the winter in Atlanta, Ga., and New Orleans, is now visiting Memphis.

Mrs. Edgar Carpenter has returned to her home in this city after a two weeks' visit to her parents, Mr. and Mrs. William Uphur Nottingham, at Eastville.

Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

Henry Dorsey and Enoch Beebe, arrested by Officers Gill and Sherwood charged with drunken and disorderly conduct, had their case continued.

Lee Bennett, colored, arrested by Officers Betts and Smith charged with an assault on James Lucas with a knife was fined \$20.

Jesse Lee, colored, arrested by Officers Ferguson and Robert charged with assaulting Rose Denny with a pistol, was dismissed.

Blanche Washington, Perry Newby, Herbert Hawkins and Ann Jordan, all colored, arrested by Officers Henderson, Bell, Beach, Garvey and Jones, charged with disorderly conduct and fighting, were fined \$10 each.

David Curtis, arrested by Officer Sherwood for being drunk at the station house, was fined \$2.50 each.

A white man, arrested by Officer Mayhugh charged with assault, had his case continued.

Henry Neal, colored, arrested by Officer Jones charged with being a suspicious character, was dismissed.

Fishtown.

There are evidences of life at Fish-town. Most of the houses have been opened for the purpose of allowing air and sunshine to enter. The proprietress of one cookshop was preparing for business this morning and sun is being strewn on the premises and other attempts made to better conditions during rainy weather. The receipts of fish are still nominal, and most of those offered for sale come from southern rivers. Mr. Thomas Perry received a jag this morning from the lower Potomac. In the lot were a few shad, some herring, several rockfish, catfish, perch, etc. A rockfish weighing 47 pounds, caught in Coan river, was among the receipts. Shad are still high, selling in market from 60 to 80 cents each, and there is virtually no change in prices for other varieties.

Fined Ten Dollars Each.

The locality of the intersection of Gibson and Pitt streets was disturbed Saturday night by a free-for-all fight between several colored men and women, during which stones were thrown and unconventional language used by the belligerents. Officers Garvey, Jones, Henderson, Bell and Beach arrested Annie Jordan, Blanche Washington, Herbert Hawkins and Perry Newberry, and they were arraigned in the Police Court this morning. When the officers arrived on the scene they proceeded to a house where the disorderly parties had congregated, and their authority was at first defied. They were fined \$10 each in the Police Court this morning.

Arrested in Washington.

Samuel Edwards, living at 1426 Duke street, appeared at the station house this morning and alleged that on Friday night last Joseph Janda's forcibly entered his house for the purpose of committing a felony, and that Janda subsequently left for Washington. Chief Webster sent Officer Roberts to that city in search of Janda, and a few hours later he returned with the accused, who had been arrested by Detective Hartigan. The case will come up in the Police Court tomorrow. Janda has retained Mr. Edmund Burke as his counsel.

Thought Woman was a Burglar.

Jesse Lee, colored, was before the Police Court this morning charged with attempting to kill Rosie Denny, also colored. The woman appeared at police headquarters about 1 o'clock yesterday morning and complained that she was compelled to flee from her house, at 1317 Queen street, by Lee who had fired a shot at her. Officers Roberts, Ferguson and Arrington surrounded the house and Lee surrendered. Lee was brought before Justice Caton in the Police Court this morning when he alleged that he mistook the woman for a burglar, and he was dismissed.

Bark Stranded.

The Italian bark Antonio, Captain Lengobardo, from Uruguay, with a cargo of bones for the Bryant Fertilizer Company of Alexandria, stranded a half mile south of the Cape Henry life-saving station, 1,000 yards off shore, at 6 o'clock Saturday afternoon. The crew of eleven men has been rescued by the life-savers. The vessel is nearly full of water, and while she may be saved, she is pounding badly. The Merritt's tug has abandoned for the present the attempt to float her.

Deaths.

Miss Catherine E. Park, daughter of the late Philip Park, died yesterday evening. The deceased had been suffering from pneumonia.

Louis, the infant son of Mr. Frank Pettit, died yesterday morning at his parents' residence, on south Lee street.

Robberies.

Thieves last night entered the boarding house of Mrs. Foltz, on north Royal street, and stole \$165, a watch and some jewelry.

The residence of Mr. Joseph Lyles, in West End, was burglariously entered last night and a watch, a pair of buckskin gloves and a knife stolen.

It seems the only rational remedy for Coughs and Colds would be to move the bowels and cure the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Cough Syrup, the best known remedy for Coughs, Colds, Croup, Whooping Cough, etc. Tastes good and harmless. Sold by W. F. Creighton & Co., 40 King street.

LOCAL BREVITIES.

A number of colored people were baptized yesterday in the river in the southeastern part of the city.

Alexandria Tent, No. 2, K. O. T. M., will give a smoker at their hall on north Columbus street tonight.

A fine horse belonging to Mr. W. J. B. Duncan, who had been suffering from lockjaw, had to be shot this morning.

Perseverance Tent of Rechabites will meet tonight. Grand officers from Washington are expected to be present.

The tugboat Spray, Capt. Frank Phillips, was inspected a day or two ago, and pronounced to be in a satisfactory condition.

The regular monthly meeting of R. E. Lee Camp will be held this evening at 7:30 o'clock. Officers will be elected at this meeting.

Mr. W. L. Clark has sold to Mrs. Lucy E. Ratcliff a house and lot on the north side of Franklin street, between Union and Lee.

The regular monthly meeting of Mary Quittis Lee Chapter, U. D. C., will be held in Lee Camp Hall, Confederate Veterans' building, tomorrow (Tuesday) afternoon at three o'clock. Business of importance.

Water is spurting from the railroad embankment recently erected a short distance north of Hood's run culvert. The water is running from a point at least ten feet high, and is said to be the cause of the recent landslides.

March made its exit amidst a variety of weather. Rain and snow prevailed at times Saturday, but at night the wind changed to the northwest when the heavens became clear. The weather yesterday and today has been fair and cool.

Dr. W. H. Wiley, Chief of the Bureau of Chemistry of the U. S. Department of Agriculture, agrees with Pasteur, that Beer is a "veritable food product." He dwells particularly on the fact that the small quantity of alcohol contained therein must be regarded as a food ingredient, saying: "It has been clearly demonstrated that, when given in moderate quantities, the whole of the alcohol injected into the stomach is converted into heat during the process of digestion and assimilation."
